

KD-KAB-102-DVI

KD-KAB-102-DVI is a DVI system cable for DVI KVM-switches. It consists of one USB-, one DVI and 2 audio connectors (for sound and microphone) on one side and of one USB-, one DVI- and 1 audio-combi connector on the other side. Length: 1.8 m

Please note necessarily:

The system cables are regular **included** in an order and delivery of devices from our AS-product line. Because of the specific configuration of the HDB15-connector, the cables are **necessarily** meant for use with a device of our AS-series. Otherwise it could come to technical failure.
